Percentage :- 79.80

WORK EXPERIENCE

BAJA SAE India ATV Event : 2022-2023

It is a event which engineering students form a team to design and build a prototype of a rugged single seat, off-road four-wheel vehicle. My role was member of vehicle dynamics were actively participate in campaigns and strategies for ATV vehicle.

PROJECT

Major Project in Diploma

As a System Designer and Manufacturing Handler, I was responsible for designing and implementing material handling systems for various projects. I oversaw the manufacturing processes and ensured that quality control standards were met. I collaborated with cross-functional teams to ensure project timelines were met, managed project budgets, and identified opportunities for cost savings.
